

CATCHUP MATH
School/District/College Price List and Order Form
August 1 2009

1) Enrollment-Based Pricing (12-month, school-wide license)

Pricing is based on total fall enrollment for grade-levels 7-12.

Number of Students (minimum of 200)	Cost per Student
200 – 999	\$4.75
1000 – 1499	\$4.50
1500 – 1999	\$4.25
2000 – 2499	\$4.00
2500 – 2999	\$3.75
3000 – 4999	\$3.50
5000 – 6999	\$3.25
7000 – 9999	\$3.00
10000	\$2.75

- There is an additional \$250 per school fee for multi-school orders.
- College pricing based on total number of students that can be served by Catchup Math, please call for quote.
- The license may be restricted to specific grade levels and priced on that basis.

2) Program-Based Pricing (12-month license, for small student programs)

Catchup Math is recommended for use by the entire school, but in rare cases the need will only be for a small, at-risk student program. We offer our Program-Based Pricing license at \$99 per student, with a minimum of 10 students. Please compare with Enrollment-Based Pricing before placing your order.

3) Professional Online Tutoring (one-to-one live tutoring for practice problems)

Tutoring time is debited from hours purchased in per-minute increments as it is used.

Package	Cost
100 hours	\$ 1,995
1000 hours	\$18,995

- Unused tutoring hours are carried over if license is renewed.
- Recommended initial purchase is one hour per student per year.

3) Training, Professional Development, and Data Interpretation

A free 2-hour telephone implementation/training is included for all purchases, including each school for multi-school orders. In addition we offer these two services:

Service	Cost
On site Professional Development (PD) for teachers & lab aids	\$1,500
Data Interpretation (DI) for data-driven decision making	\$1,500
